

Chris Kunzmann
Arpin Strong
PO BOX 1302
East Greenwich, RI 02818-1302

Dear Chris and employees of Arpin Strong:

Somehow, offering a simple "thank you" just never feels like enough to all of us here at CHD. That's because we know the incredible work our dedicated staff does with MaryAnne's Kids is made possible with generous gifts from caring individuals like you – people who believe that our work is positively life changing!

Since 2000, MaryAnne's Kids has worked tirelessly to provide children in CHD's Foster Care program with all the lifelong benefits associated with their participation in music lessons, dance, art, sports, summer camps and more. Giving kids in foster care the opportunity to do the things that other children enjoy, like being on a baseball team, dancing or discovering they are really good at drawing, can make a dramatic and lasting difference in how foster children see themselves.

Participating in activities and experiences like these is truly life-enhancing. Eight year old Brian has always had a love for all sports, and now he's discovered his talent, too. Your generosity has meant touchdowns, home runs and more than a few goals for this young boy. **He smiles on and off the field, and that sense of joy and self-confidence is made possible because you gave.**

Not everyone appreciates the significance of our work with this especially vulnerable population of children, but you do. You get it, and that's why you gave. The hundreds of children we serve annually are full of gratitude for your generosity and the benefits that result will continue throughout their lives.

Chris, when we say a simple "thank you" isn't enough, it's simply because our work would not be possible without you. We would love for you to become a more active member of our community, too. It's easy. Start by visiting our website at www.chd.org and sign up for our emails and newsletters so we can keep you in the loop. Like us on Facebook, too. You'll find links at the top right of our home page.

Know what else you can do? Give us a call at (413) 439-2106 so we can arrange a time to visit and thank you personally.

Yes, your donation matters. It's truly appreciated and we wanted you to know.

Most sincerely,

Jim Goodwin
