Dear Mr. Dearborn:

Thank you for your generous gift to the imPOSSIBLE DREAM. It was so kind of you to support us during this tragic time. I feel so grateful that so many individuals, companies and foundations came forward to help.

To many this is just a playground. I know better. This is a refuge for children who have no other place to play. This may be because of a disability or because their parents cannot afford to take them anywhere else. Knowing that there are only two weeks before school starts made it imperative that the playground open as soon as possible. You helped make that possible.

As a little charity we cannot do it all by themselves and often look to others for help. Your help will go a long way toward making us whole again.

May all your dreams come true.

Sincerely,

Diane Florio Penza
