Dear Mr. Asay,

On behalf of the entire Special Olympics Rhode community and the 21 Super Plungers, I'd like to sincerely thank you for your generous donation of \$500 for sponsorship of the 2018 Super Plunge. No goods or services were received in exchange for this donation.

The Super Plunge weekend took place March 24th & 25th at Salty Brine State Beach in Galilee. This year we had 21 brave Super Plungers who plunged once every hour, for 24 hours! Their goal was to raise \$100,000 and thanks in-part to your generosity I am thrilled to say they have exceeded that amount!

The Super Plunge is one of the most unique events that we do here at SORI. It certainly is a testament to how dedicated many of our volunteers and supporters are. It's also the only event of its kind being done in all of New England! We are so glad you chose to be part of this very special event.

All proceeds from the plunge benefit the 3,500 Special Olympics Rhode Island Athletes who represent all 39 cities and towns from our state. We are proud to say that no athlete pays to participate in our programs of year round training and competition. Thus the need to host fundraising events to meet our budgetary requirements.

Again, I truly thank you for your continued generosity and support of Special Olympics Rhode Island and the Super Plunge.

Sincerely,
