Dear Mr Asay,

On behalf of the 16th Annual Scott Carlson Memorial 5K Race committee, please accept our most sincere thank you for your very generous donation to our event. With your help this year alone we were able to raise \$50,000 for the Rhode Island ALS Association! This local chapter intimately supports the victims, families and caregivers of ALS through their many avenues of medical, financial, family resource, and equipment donation outreach.

This year our event was a tremendous success thanks to sponsors such as yourself. There is even more of a need right now in the Rhode Island ALS community with our patient number being at 67 patients. I can assure you that every penny is well spent and appreciated by these families.

For your records the East Greenwich Rotary Charitable Giving Fund is a 501C3. Our Tax identification # is - EIN # 45-5533943. Please keep this letter and/or cancelled checks as verification of your \$500 donation.

Please note that our race next year will be held on April 15, 2017!

With Sincere Thanks,
