Dear Kathleen Frazier
RI0008- Arpin Charitable Fund

Thank you for all of your hard work and dedication to the Wreaths Across America Program. Through the efforts of over **3270 fundraising groups**, corporate donations and general donations this year we were able to place over **1.5 million wreaths** at **1422 participating locations**. We could not do it without you- our boots on the ground!

As a small token of our appreciation for your group's efforts please find enclosed your Fundraising Group Certificate of Appreciation.

Please remember that if your group wishes to participate again in 2018 you will need to register. Registration is an annual requirement so we may have the most up to date information about your group for our records. You may register at any time by visiting www.wreathscrossamerica.org, click on the Volunteer button and select the "Lead A Fundraising Group" option. Once you submit the form online we will process your group and send you your 2018 welcome letter via email along with a link to the updated fundraising forms.

If you have any questions, as always you may contact me and I will be happy to assist you.

Thank you for your support,
Marcy Beardsley
