Dear Mr. Asay:

Please extend our sincere appreciation to the members of the Arpin Charitable Fund for their wonderful donation of \$400.00 to the Elizabeth Buffum Chace Center. We are grateful to be the recipients of funds raised during the month of January as the Arpin Strong Charity of the Month. This donation will be used to continue the work of the Center, helping us to provide families with safety, support and an opportunity for a violence-free future.

For the past 39 years, the EBC Center has worked with children who have witnessed violence in their homes, elders who are being abused by their spouses, children and/or grandchildren, victims who are navigating a challenging legal system and families who have had to flee their homes. We offer safe shelter, transitional housing, family therapy, counseling, support groups and court advocacy. All of our services are provided at no cost to the client and are dependent on the donations that we receive.

Your generous gift will help us to make a difference in the lives of victims of domestic violence and sexual abuse with whom we work each year. Thank you for your concern and your continued support of the work that we do.

Sincerely,

Judith S. Earle  
Executive Director
